

WHY CBA?

The CBA Empire group of Coakley, Boyd and Abbett Company covers Metro New York / Northern New Jersey. Our dedicated sales team helps make Coakley, Biyd & Abbett one of the Northeast's leading electronics manufacturers' representative firms. Our attention to detail makes us a valued Partner to our Principals, Customers and Distributors.

PRINCIPALS

Abracon is a trusted supplier of leading-edge and innovative electronic components including Frequency Control, Timing, Power, Magnetics, RF and Antenna solutions.

World leading manufacturer of RF products including Connectors, Adapters, Cable Assemblies, Terminators, Attenuators, Tools and Custom Solutions.

Azoteq is an IP-rich fabless semiconductor design house that pioneered multi-sensor technology on a single chip. Azoteq brings novel technologies to high-volume consumer goods. Products include Capacitive Touch, Lighting & Power Solutions, Track Pads and Light Sensing.

Since 2003, e-con Systems® has been addressing the embedded camera needs of different types of markets across the world. Over the years, we have 'been there and done that' with consistency and commitment to accelerating product development that, in turn, create world-class industry experiences.

Futaba is an innovative manufacturer of display products including VFD, OLED offering integration and contract manufacturing solutions.

World-wide provider of high quality, highly customizable Telescoping Slides and Custom Metal Fabrication.

At Knowles Precision Devices we make Multilayer, Single Layer, High Reliability and Precision Variable Capacitors, EMI and now with the addition of CDE we offer Aluminum Electrolytic, Standard & High Power Film, Mica and Super Capacitors.

More than just Resistors - yes we're the world leader in thick film resistors, but our product line is broad and growing every day, including: Shunt/Current Sense Resistors, Wide Terminal Resistors, High Voltage Resistors, Thin Film Chip Resistors, Surge Resistors.

Melexis offers a wide range of semiconductor integrated circuits covering various sensor technologies, drivers and transceivers. Sensor products include Hall Based Position, latch & Switch, Current Sensors, FIR Sensors as well as, Embedded Motor, LED, Fan & Pump Drivers.

PRINCIPALS

nVent SCHROFF helps organizations bring critical systems to market with cabinets, chassis, power and cooling solutions that connect, power and protect technology. Products include: Cabinets, Electronic Enclosures & Components, Embedded Systmes, Board Retainer & Extractors, Cooling & Power Solutions.

ZETTLER GROUP

ZETTLER GROUP is a world-class enterprise, engaged in the design, manufacturing, sales and distribution of Electronic Components. The Zettler Group is comprised of American Zettler Relays; Zettler Displays for TFT, LCD & Modules, and Full Custom Capabilities and Zettler Magnetics for Transformers, Toroids, Chokes and Controls.

ZF is a global technology company that supplies systems for passenger cars, commercial vehicles, and industrial technology. The ZF product portfolio includes Switches (Microswitches, Interlock & Limit) and Sensors (Angular Position, Speed & Direction, & Proximity).
